**Message From the Vice President**

President Colin is currently caravanning in the great "Outback of Oz" - last heard of at Uluru!! That was some time ago (see Page 2!) ... I would expect that he & his party would have reached their destination of Darwin and by the time that you read this, they would be well on their way home.

Colin has asked me to do his column for this edition of "TT." My pleasure!

Keep **Sunday July 28<sup>th</sup>** free and come to Holiday Haven Lake Tabourie for our "Christmas in July" event along with our AGM. Further details will be provided by Event Director, Geoff as the day gets closer. The Club will be providing a BBQ Lunch with all the trimmings along with dessert – so do come along! **It is ESSENTIAL that you do let Geoff know of your attendance so you will be catered for.**

Our Annual General Meeting (AGM) will be held in the morning prior to lunch. Committee positions will be declared vacant, and a new Committee elected. Should you wish to nominate for a committee position, then kindly contact Secretary Jane for further advice. Please refer to the AGM notice below.

The normal July general meeting has been cancelled and will not be held at the Milton Ulladulla Bowling Club. 2 meetings in one month is bound to test the best of us. Any necessary business of a general nature can be attended to after the AGM has been completed.

We will also use our "Christmas In July" as a fund raising event for the Cancer Council's "Australia's Biggest Morning Tea" - A very worthy cause indeed!

Your present Committee has done a wonderful job running the club over the past 12 months, putting in their time for you, the members benefit and I would like to thanks them all for their efforts and commitment.

That's all from me.....settle back, fasten your seatbelts & **"LET'S HAVE FUN!!!"**

*Roger*

**Notice of Annual General Meeting**

In accordance with our Constitution, the **Milton Ulladulla Vintage & Classic Car Club** will hold our Annual General Meeting commencing at **11am Sunday 28<sup>th</sup> July 2024 at Holiday Haven Lake Tabourie.**

The AGM will include the following:

- (a) confirming the minutes of the previous annual general meeting and any special general meetings held since the previous annual general meeting
- (b) receiving reports from the committee on the association's activities during the previous financial year
- (c) electing office-bearers and ordinary committee members
- (d) receiving and considering financial statements or reports required to be submitted to members of the association under the Act.

The days leading up to the Sussex Inlet BBQ were not looking good. Our event director, Geoff was working on contingency plans - Praying for sun! On Sunday morning his prayers were answered as we were greeted with clear weather and the day just got better as the hours passed. 38 Members made the trip to the Sussex Inlet Lions Park with a few of us (including your scribe) needing to check maps to get to the final destination. Members brought out some wonderful vehicles including Graham's 1916 Overland along with Mike's late model Commodore Ute. Of course, we had Alan & Terry's Rolls Royce which berthed alongside Vicki's USS Enterprise! The parking spots were supposed to be big enough for car & boat until they showed us otherwise!! Thanks to Roger for arranging the delicious steaks & sausages and to all involved in making the day a success for our members...including Geoff for arranging divine intervention in weather management!!

## Club Member Special Feature

### New Members Fay & Steve Mitchell share their story of their "IMPERFECT PERFECT"!!

*Story & Historic Photos by Fay Mitchell*

Back in 1963 Steve was not old enough to drive and he had no mechanical experience. However he had saved £45 and became the proud owner of a 1951 Ford Prefect in dubious condition. Under his uncle's guidance Steve spent most of his spare time learning about cars and how to keep them in working order. After two years the Prefect was sold.

Over the years we owned many second-hand cars of various makes and models, usually needing a lot of TLC to keep them

*The starting point*

He came home one day in 1986 and proudly showed me his "great find" ...a 1949 Ford Prefect which had been completely stripped down by someone planning to rebuild it.

Small parts like nuts, bolts and bearings had been stored in lots of jam jars, carefully labelled, but over time these had faded and were now illegible. There was a tangle of electrical wiring, wheels, mudguards, axles, seats, bumper bars all in a heap

*Steve and the jigsaw of parts*

looking nothing like a car! Over the next 6 months Steve worked tirelessly, sometimes using unconventional methods to rebuild the car. New interior lining was made from felt I sewed on my sewing machine! Spray painting was done in our backyard. With Steve's hard work and ingenuity the pile of miscellaneous bits and pieces had been transformed into an attractive little car which even earned full rego! It now proudly displayed its new numberplate...FP 1949.

going. However Prefects still held a special place in Steve's heart and he had dreams of restoring one.

We were living near Wollongong at the time and Steve often drove the Prefect to work and occasionally on family outings. Our most memorable trip was on a rainy day trying to drive to the top of Mt. Keira for our first car club outing. With our two teenage girls in the back, our little Prefect was struggling in first

*The Ford Prefect looking magnificent!!*

gear up the very steep wet slope. About half way up Steve realised we mightn't make it to the top and he thought the

return down the slippery road with the whole family in the car was a risk not worth taking. We managed to turn around and head for home! After a while the novelty of driving a 38-year-old car wore thin and it was sold, making way for something more comfortable and reliable.

Decades later, Steve's mind again turned to the possibility of restoring an old Prefect. In December 2023 on our way home with our latest purchase, the wreck of a 49 model, we looked at another one advertised with lots of spares. Seeing the body was in excellent condition and the asking price was attractive we bought it without looking closely. After getting it home we found lots of paperwork in the glove box and we made a startling discovery. We found an invoice for work done in 1988 with the details showing it had the rego FP 1949! Amazingly we had bought the same car twice...the first time when it was all in pieces and again 37 years later! During the past few months Steve has been tinkering in our backyard swapping bits from one car to the other, installing some new parts, and I even made repairs to the felt lining on my sewing machine! Again Steve's hard work and persistence has made the same little imperfect Prefect roadworthy.

*Club Event: Rotary Park Brunch Ulladulla*  
*28<sup>th</sup> April 2024*

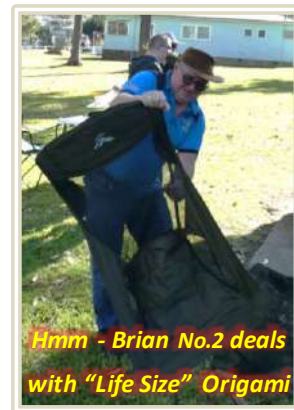

On Sunday morning, club members were greeted with a perfect day to enjoy a delightful brunch comprising of bacon, eggs in bread rolls with an assortment of sauces!! All attendees enjoyed a relaxing morning & great conversation. It was great to see many new club members in attendance (52!!) and see our cars looking resplendent in the morning sun. We are fortunate to be looked after so well with special thanks to Bev & Geoff Phillips for preparing the food, together with our BBQ team – with Roger as “Master of the BBQ” with assistance from Colin & Geoff.

### Community – Arcare Retirement Village

*Photos courtesy of Jane McLennan*

Club Member, Cec Skwarko had been in contact with the Arcare Retirement Village in Mollymook & hatched a plan to give some of the residents a bit of fun – by being taken for a ride in a Pre-1970’s vehicle. The 16<sup>th</sup> May provided the perfect day and the club vehicles looked fantastic. (Your scribe’s vehicle was under strict instructions to remain garaged!! Too modern - or so I’m told...hmm). 13 members & 22 residents of Arcare participated, enjoying a 10km tour of the Mollymook/Narrawallee area bringing out plenty of smiles to match the sun. Afterwards, Arcare put on a BBQ for the residents and club members, where all had a great time! Thanks to Cec for organising this event. It’s a great way to give back to our community. Stay tuned for more opportunities!!

*I think this chap had fond memories as he climbed into Ray Sanders'66 HR*

*Geoff John's Meyers Manx certainly provided an exciting "wind in the hair" experience for this lady!!*

*Jane & Alan's EH looked brilliant by the beach!*

*A great selection of club vehicles for residents to choose from!*

### Coffee Run – Luci’s Café Bawley Point

The 10<sup>th</sup> of April was a perfect Autumn day to enjoy a drive south to Bawley Point. 24 members participated and enjoyed the sun as they sipped on their preferred beverage & enjoyed the cakes that were on offer at Luci’s Café. Great conversations and laughs aplenty as we all made the most of the perfect weather.

All had a great time enjoying some sun!

Although some preferred the shade!!

It appears it's not just teenagers who obsess with mobile phones!

### Coffee Run – Breakers Café Mollymook

After the gales overnight, the 12<sup>th</sup> June started as a beautiful sunny day. 15 members took the opportunity to get out of the house and enjoy coffee & snacks at the Breakers Café in Mollymook. All who attended had a great time with lots of interesting chats! However, by 11am the day changed dramatically as a cold front passed through with heavy rain and a rapid drop in temperature, reminding all of us that winter is here!

***Club Member Feature – “Austins Over Australia” March 2024. Jan & Steve Barkwith share the story of their “Tour de Orange”!***

***Story & Photos courtesy of Jan Barkwith***

*Steve & Jan alongside their Austin A40*

The “Austins Over Australia” Event has been held for the past 14 years. There are Austin motor vehicle clubs in each state of Australia and every 2 years a different state hosts the event with local clubs. The next event will be in Maryborough Qld.

The Organizing Committee this year welcomed 100 cars and 170 people for a 5 day event based in Orange NSW and surrounding villages of Carcoar, Millthorpe and Molong.

*The banners make it clear – it's all about Austins!!*

**Day 1 - Thursday**

On Thursday, we registered our vehicles at the function centre in Orange and were given backpacks with goodies containing badges commemorating the event, a booklet containing information & photos of all the cars

participating, sweets and a water bottle. That night, a delicious dinner was held at the function centre for a “Meet & Greet” night!

Over the following days we travelled to the outlying towns, where we enjoyed (prepaid) morning teas and lunches!! We were treated to lovely spreads provided by the C.W.A. ladies, with money raised going towards “Can-Assist”. Orange “Can-Assist” supports anyone who is affected by Cancer in the local area. Over \$6000 was raised for “Can-Assist” – a very worthy cause.

*A perfect day for these 1949 Austin Convertibles*

**Day 2 - Friday**

On Friday, we had a run to Carcoar & Millthorpe for morning tea, lunch and a look around both these lovely villages

**Day 3 – Saturday**

We met at Lake Canobolas to join the local car club there. Then, onto Molong for lunch – another charming village.

**Day 4 – Sunday**

Sunday was “Display Day” and we met & parked up at the Orange Civic Centre and vote for the “Grand Champion.”

The winning vehicle was a 1934 Cream & Green cabriolet coupe’. This vehicle had quite a story – it was built and shipped to New Zealand for the Prince of Wales (!) for the 1935 Royal visit. The climax was...he never turned up for the visit! Overall it was a wonderful display of vehicles and the weather was beautiful.

On Sunday evening we attended the Orange Ex-Serviceman’s Club for a delicious 3 course meal. During the evening, various awards & trophies were given out! A great night had by all!!

**Day 5 – Monday**

We now commenced our travels back east. We enjoyed morning tea at the magnificent historic “Abercombe House” at Bathurst, where we were given a tour of the house.

We actually towed our Austin on the back of our Mobile Home, which a number of other folks did likewise. We stayed at Mt. Canobolas Van Park along with 11 or so other entrants, where we had a great time sharing stories of our cars and helping each other with minor repairs.

Interestingly, we discovered some participants drove their cars long distances to Orange. There were 2 cars of note, one being an Austin A30 from Caboolture Qld and an A50 Cambridge from Maryborough Qld.

The furthest travelled was Paul, who came from Launceston Tas in his beautiful red & cream A40 Somerset.

Over the “Tour” the weather was very warm and caused some cars to deal with heating problems, which were mostly overcome. Our car “vapourised”!! – but we had plenty of help to solve the problem.

We were away for about 10 days and enjoyed our trip there & back! In travelling to Orange, we first drove the BTU road to Goulburn, then overnight to Crookwell and stayed in the showground, then onto the lovely city of Orange.

We had a wonderful time, and encourage other members to take the opportunity to travel to regional locations. Car Clubs are really made to feel welcome!

**Member Story: The McLennan's see "History on Parade" in the UK**

Story & Photos courtesy of Jane McLennan

Members Jane & Alan McLennan recently enjoyed a wonderful European vacation, starting at Santorini (Greece) and cruising the coast to eventually find their way to the UK.

Jane & Alan enjoying the sights of Greece

They then stumbled upon the **Annual Ipswich to Felixstowe Classic Vehicle Rally** held Sunday 5<sup>th</sup> May in Suffolk, UK. The vehicle parade starts in Christchurch Park Ipswich from 11 am & arrives in Felixstowe Pier by 12 noon, having travelled approximately 23 kms. Alan advised that the actual parade of vehicles

seems endless...taking about 4 hours for all vehicles to pass, including a Holden Commodore Ute!! (Yes ...a Holden not the Vauxhall branded version.)

Many locals sit on the roadsides to view the rally & the nearby pubs have many onlookers with beer in hand, which seems like the ideal way to enjoy the day.

Upon arrival at the Felixstowe Pier, hundreds of people attend to get a chance to view the vehicles on display which remain there until 5 pm.

Now back in Australia, Jane & Alan have some wonderful memories!

So...this vehicle claims to be "Hot & Steamy"!

An endless parade of beautiful vehicles

It is good to see representation from all decades

**Regular Club Event - Wheels Nuts (May)**

We had planned for May's edition of Wheel Nuts to include a BBQ to celebrate Mother's Day! However, based

*Yes...we all had a Great Time!!*

on weather forecasts, the wise decision was made to cancel the BBQ. On Sunday, 7 brave (??) souls attended – including our newest member, Mervyn

Mitchell. The rain was torrential and only the bravest of brave remained...at this point, your scribe scarpereed!

**Regular Club Event - Wheels Nuts (June)**

The forecast was grim, but June Wheels Nuts was met with cool but clear weather – much better than May. Many members looked at the sky nervously, but fortunately, the weather behaved with 37 members attending Ulladulla Harbour to catch up and enjoy the cool winter weather. Some members wore shorts and seem impervious to the cold!!

*John brought along his tastefully modified 1960 Morris Minor Panel Van*

**Some statistics on vehicle accidents**

A survey was taken to find out what people say just before they have an accident. The following details the key findings after detailed analysis: -

- 60% of respondents said "Oh @#\*\*% !!!"
- 20% of respondents called out to a preferred deity.
- 10% of respondents screamed like a Wookiee.
- 5% of respondents said nothing...remaining silent awaiting the inevitable "crunch"!
- 5% of respondents said "Hey it's a Subaru - Watch this!!!"

## Member News

On 8<sup>th</sup> May 2024, the Club held its bi-monthly General Meeting, with 19 members in attendance (& 5 apologies). Thank you to all who attended – particularly given the inclement weather.

## Registrar Update

Our Registrar, Joe Bowdler has reported that the MUVCCC has **249 vehicles and 207 members as at June 2024.**

As a friendly reminder, **members should also ensure the appropriate Certificate of Approved Operations is with the vehicle (or a copy) at all times.** We have been advised that many vehicles are being checked by police and they will immediately look for this document.

## New Members

The MUVCCC is pleased to welcome new members to the club:

**Mervyn Mitchell & Helen Murray**

**Stuart & Janne Lockard**

We hope you enjoy the camaraderie and become a regular participant at club events. *It's all about "Having Fun!!"*

## Thoughts for members who are unwell

We are pleased to learn that our Welfare Officer, Viv Burns is recovering well and is back to enhancing hairstyles. If you know members who may be unwell, please reach out to our Welfare Officer, Viv Burns so the club can provide some support.

## Club Merchandise

Club merchandise can be ordered through:-

Hip Pocket will add both your name & club logo (at extra cost)

Should you have any questions, please contact Tom Taylor (Merchandise Officer) who will be happy to assist you.

## Reminder - Membership Renewal Time!!

Your Committee has given careful consideration to this year's membership renewal. We all recognise that inflation has resulted in increasing costs for so many things. However, the Committee wants to support members and families to encourage attendance at more events. Accordingly, the fee structure has been simplified as follows:

### Annual Membership Fees 2024-2025:

#### Member+Partner+Children 16 & under

Just a single fee will apply for all =>\$45

Magazine-Print Version with postage =>\$10

Magazine - Download =>Free

We hope the simplified membership fee structure will encourage greater family participation at club events. This is what our club strives to achieve – having fun and bringing families to our events.

**See the updated renewal form attached to our email distribution or contact our Treasurer, Vicki.** The renewal form can also be downloaded from the club website at the following link:

[http://www.muvccc.org.au/files/RENEWAL%20FORM\(2024-2025\).pdf](http://www.muvccc.org.au/files/RENEWAL%20FORM(2024-2025).pdf)

**Payment:** The preferred payment method is by Direct Transfer to Horizon Bank:

**BSB: 802-124 ACCOUNT: 112835**

**REFERENCE: PLEASE USE YOUR NAME AND MEMBERSHIP NUMBER so as the Treasurer can identify your payment.**

Also, remember to send an email with your renewal to:

[Treasurer@muvccc.org.au](mailto:Treasurer@muvccc.org.au) to let Vicki Weir (Treasurer) know you have paid.

**Note: Horizon Bank no longer accepts cheques. However, payment can be made is cash to our Treasurer.**

**We would like all renewals to have been paid by 30/6/2024. Remember, if your vehicle is on historic/classic plates, it is a requirement that you are a financial member of an approved car club, so you need to complete your renewal & payment by 30/6/2024 to ensure your vehicle meets registration requirements.**

Thank you for your support in 2023/24 and we look forward to another great year.

### Dato – Refinement required to vehicle ID!!

At Rotary Park, Neil & Andrew reminded me that their vehicle is a Datsun 200B **SX**!! Oops - Never short-change a vehicle description! My apologies to Neil & Andrew!!

### Support Request from BCR Communities

BCR Communities (formerly Bay & Basin Community Resources) is a community-owned, not-for-profit organisation which has been serving the Shoalhaven for over 30 years. **BCR is hoping to start a 'Ls to Ps Driver Mentoring Program'** to help disadvantaged learner drivers in the Shoalhaven to get their licence. Having a driver's licence in a regional area like ours means better access to employment, education, training and social activities but so many people, especially young people, do not have the support at home to get the necessary 120 hours of driving time before they can go for their Ps.

BCR need some **volunteer mentors** and they find the best mentors are those with a passion for driving!! Volunteers will receive training and support on supervising learner drivers and working with young people. If you are interested in supporting this worthy activity, contact details are as follows:-

- Phone BCR - 1300 222 748
- Email BCR - [info@bcrcommunities.com](mailto:info@bcrcommunities.com)
- You may also email Belinda Lamb at [blamb@bcrcommunities.com](mailto:blamb@bcrcommunities.com)
- Visit the BCR website <http://www.bcrcommunities.com>

**Don't forget, if you have a story or photos you would like to share (or any other feedback) please write to me at: [editor@muvccc.org.au](mailto:editor@muvccc.org.au) - Thanks DJ**
